SECTION Edn

Edn: 81]

OFFICE OF INSPECTOR-GENERAL OF EDUCATION IN MYSORE. No. 6 5744

17656

No. 804

Bangalore, 27th April 1915
1st May

From

RAO BAHADUR M. SHAMA RAO, ESQ., M.A.,
Inspector-General of Education in Mysore.

To

C.S. Balasundaram Iyer, Esq., B.A.,
Secretary to the Government of
His Highness the Maharaja of Mysore,
Departments of Education and Agriculture,
Bangalore.

SIR,

I have the honour to submit for the information of Government that out of the 15 places sanctioned in Government Order No.12568/Edn.334-13-4 dated 13th June 1914 for introducing the scheme of Compulsory Education, work has actually been started in all the places except Chikmagalur which, however, will be taken up shortly, the list of children between the ages of 7 and 11 being now ready.

According to the statistics specially collected for the purpose, it is ascertained that out of about 16,000 boys between the ages of 7 and 11 in the above selected centres, about 10,000 were attending one school or another and of the remaining boys, about 1,200 have been newly admitted since the introduction of the scheme. The others could not be admitted partly owing to want of sufficient accommodation and staff in the existing schools and partly to want of more schools.

Now that Government in their Order No.3627-30/Edn.57-14-5 dated 30th March 1915, have been pleased to sanction the opening of a number of schools both Government and aided, facilities

facilities have been created for the admission of the remaining boys and they may be expected to join one or other of the educational institutions. Steps are being taken to start the new schools required almost immediately.

From the actual working of the scheme so far, I consider that the scheme may be extended to a few additional places as noted in the margin in the ensuing official year. The appended statement gives the population, number of boys of prescribed ages, etc., in the places named. I beg that Government may be pleased to notify the places newly selected under Section I (1) of the Elementary Education Regulation. A draft Notification is enclosed.

1. Channapatna	4. Arsikere	7. Birur(Kadur Dt.)	10. Tiptur)
2. Gundlupet	5. Saklespur	8. Tirthahalli	11. Malur)
3. Mandya	6. Tarikere	9. Sagar	12. Harihar)

A sum of Rs.25,000 in addition to the existing grant of Rs.25,000 may be provided in the budget. The allotment of Rs. 25,000 now existing in the Budget of the current year will be fully required for the 15 places already brought under the operation of the Elementary Education Regulation and for the places now recommended as well as for the old places, an additional sum of Rs.25,000 may be providedin the Budget of the next official year making a total of Rs.50,000.

I have the honour to be,

Sir,

Your most obedient servant,

H. Ramarao

Inspector General.
